Thank you for your interest in assistance from the Wayne County Committee for Crippled Children and Adults.

The Wayne County Committee for Crippled Children and Adults, Inc. is a non-profit organization established to provide assistance for Wayne County residents with health care needs that are not being met by other sources.

Applications for assistance are considered based on: financial need, relationship to our mission, and the availability of funds. Please fill out the enclosed application as completely as possible. This will help the Committee understand your needs and the assistance you are requesting. It is especially important to provide specific details about the amount of help that you need.

If you are asking for help with **MEDICATIONS**, we will need to know the specific medications, who prescribed them, and their cost.

If you are asking for help in obtaining **MEDICAL EQUIPMENT or MEDICAL SUPPLIES**, we will need a statement from your doctor so that we can understand the medical reason(s) for your request. (Please attach your physician's recommendation to the application).

The Committee meets once a month, therefore your application MUST be received at the United Way's 2-1-1 office (215 S. Walnut St., Wooster, OH 44691) by the 1st Friday of the month in order to be considered during that month. If received past that date, your application will be considered the following month.
